McKEARY CHAROLAIS

When spring arrives so does the hope for a better year, greener grass on our side of the fence, and a bigger bottom line.

McKeary Charolais along with Bullick Charolais are happy to be involved in such a great industry where there are always familiar people to visit with and new people to meet. So please join us for lunch and a visit.

We are walking two Cougar Hill Hank 720G sons. PCC Generator 406P and ACC Full Blown Nitro 619S. Hank passes on great dispositions, hair coats, performance, volume, and milking ability.

When you breed strong cow families to great bulls you get the qualities we are all seeking.

We stand 100% behind our bulls so please contact us with questions or concerns.
