... On The Show Road

Welcome to the 6th Annual Family Tradition Bull Sale.

The Tradition Continues...

Welcome! We hope that you're just as excited to see our 2009 bull sale offering as we are to present this set of bulls to you.

With over 30 years in the seed stock industry and the experience of calving out more than 400 head of cattle annually we have built cowherds on strong foundations and it is from the depth of our herds that we are able to offer this exceptional offering of yearling and two year old Charolais and Simmental bulls.

In purchasing bulls at the Family Tradition bull sale, you know that they are backed by a diligently selected herd bull and a powerful, consistent and sound set of females.

In the past we have been privileged to provide herd bulls to top purebred and commercial herds in Canada and embryos to farms around the world. Sale time is a time we always look forward to, as it is a chance to visit with our many friends and customers from past years and meet many new cattlemen.

Quality, Commitment and Integrity are values we firmly believe in. We focus on producing sound, functional cattle for you, our customer. No one knows our bulls like we do. Give us a call or stop by the farm so we can discuss the selection of the bull best suited to your program. If you need assistance in any way, please call any one of us, or our professional Sales Team.

We invite you to our Annual Bull Sale and look forward to seeing you on the 19th. Please come early and enjoy some Family Tradition Hospitality and presale lunch.

Working for you and with you in the livestock industry,

Rolling D Charolais, Dropmore, MB

Cattlemen,

Exciting Times at FAMILY TRADITION! The 2008 National Champion Charolais bull will headline this year's outstanding set of Charolais and Simmental Bulls.

HBSF SPECIALIST 108U was the "talk of the town" in Brandon at the 2008 Manitoba Livestock Expo where he was named the Champion Bull at the National Charolais Show and the Supreme Champion Bull over All Breeds. This polled son of Hank, out of the "TRIM COW", created interest right across Canada with his natural thickness, phenomenal phenotype, and highly proven pedigree. On March 19, you will have an opportunity to purchase this dynamic young herd bull.

The excitement does not stop with Specialist. He will be followed by a great set of young herdbull candidates sired by Broker, Original and Pursuit. The quality is deep! Bulls with performance, muscle, hair and eye appeal. Look them over and mark your book. They are well worth the drive on sale day.

The Simmental bulls from High Bluff are their strongest set ever. These bulls are long sided, deep and easy fleshing, with performance. They will compliment any cross breeding program.

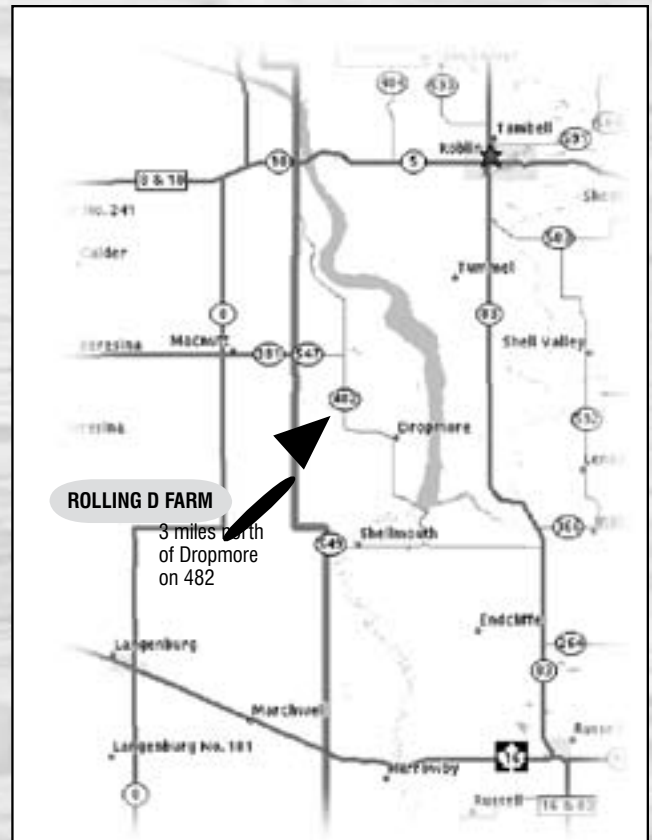

I look forward to seeing you at the Family Tradition Bull Sale on March 19. Please call if I can assist you with your purchase in any way.

Sincerely,

Dale Norheim

D Bar L Livestock

Cell: 306/221-2480

Reference Sires...

WINN MANS ORIGINAL 548R

POLLED

Original has quite the track record behind him. He brought home a Champion Banner from every single show he has attended since he was a calf. In 2007 he finished off his show career with a bang winning Grand Champion Charolais Bull at Edmonton Farm Fair and being a top ten qualifier in the Agribition Supreme Show. WOW were we excited!!! We take great pride in owning a bull that has been admired by so many cattlemen. After you look through this catalogue we hope you will understand us when we say we are even more proud of the quality and consistency of calves he has produced. Semen packages are available.

Sire: Winn Mans JD 338N (P)

Sire of Dam: SLY Eastwood Pld 32F)

BW 2.9	WW 35	YW 71	MILK 13.4	TM 31
--------	-------	-------	-----------	-------

SHSH PLD BROKER 1P

POLLED

Broker is the senior Herd Sire and the color red seems to be growing on Bob as this isn't his only red herd sire any more. The average gestation period is 282.6 days and the average birth weight is 99.5 lbs. All of the calves have an exceptional coat of hair, and are structurally correct. His top three sons last year sold for over \$30,000. Consistently good is the best way to describe Broker.

Sire: JSR Equity 17M (P)

Sire of Dam: LHD Cigar E46

BW 4.6	WW 55	YW 112	MILK 18.8	TM 46
--------	-------	--------	-----------	-------

HTA PURSUIT 646S

POLLED/RED

This is our second "Not White" herd sire and our first official red. We purchased Pursuit from HTA in March 2007. He is an own son of HEJ RIPPER, and out of a picture perfect cow with an excellent udder. This is the first calf crop out of Pursuit and WOW are we ever impressed! See for yourselves... this bull has added performance, depth, muscle, sound structure and length to our herd. Imagine what his sons can do for you.

Sire: HEJ Ripper 66P (P)

Sire of Dam: SVY Guardian Pld 969J (P)

BW 2.6	WW 61	YW 106	MILK 18.8	TM 49
--------	-------	--------	-----------	-------

MXV COUGARHILL HANK 720G

Purchasing the Manitoba rights to Cougarhill Hank was one of the wisest business decisions we have ever made. Hank may be the most complete, loose made, consistent Charolais bull the industry has ever witnessed. His progeny continue to top sales and shows due to their top quality which has been proven over and over again. Hank daughters have become the foundation of our Charolais herd and we have found them to be an extremely consistent, quality, group that produce both excellent females and males.

Sire: Rainbow Mr Cyrano 32D

Sire of Dam: Wildor Raven 6M

BW 4.3	WW 43	YW 82	MILK 25.7	TM 47
--------	-------	-------	-----------	-------

RED BARON HR P101

POLLED

This year we decided to use Red Baron as our main Simmental AI sire. We are impressed with the consistency and performance of his calves. This past fall we exhibited a Red Baron bred heifer, who was Reserve Jr. Champion in Brandon Fall Fair. In 2007 we showed two of his calves bringing home Reserve Grand Champion Bull and mature cow calf pair champion banners.

Sire: RC Stinger 072K

Sire of Dam: BS Mr Arapahoe 811A

Welcome to Family Tradition Bull Sale 2009

Seven years ago we started using two cornerstone bulls in our Purebred herds - Hank in the Charolais and Much More in the Simmental. We haven't looked back since then. Both of these bulls have added docility, structural soundness, and top quality cattle that are desirable for all kinds of cattlemen. What we have ended up with today is the most consistent, quality, foundation herd we have ever had. Each year we take females out to shows and they do extremely well in the show ring. That's why this year we decided to bring focus to the females that are producing your herd sires. As you read through the write ups on the bulls, take note that we have continuously commented on the cow families that they come from. We are extremely proud of our cow herds and would love to walk you through them.

Being in the purebred cattle business means that you always need to be one step ahead of the game; we are very excited to be offering some new and upcoming bulls. We have two new Charolais herd sires that we are using - Zephyr from Rosso Charolais and HTA Durmax, a bull we purchased together with Harvie Ranching and Stauffer Charolais. We have a small offering of these genetics this year, but are very excited to see the up and coming bulls for next year's sale. On the Simmental side of things, together with M&J Farms we purchased two new herd sires from Erixon Simmentals; one is a black, Dream On son: Erixon Country Dream 97T and the other is a red STF Starquest son: Erixon Tradition 83T that was Champion bull calf at Agribition in 2007.

This year we had an especially exciting year on the show road. We took out strings in both the Simmental and Charolais barns and did very well. One particularly exciting event was winning the National Grand Champion Charolais Bull with HBSF Specialist 108U. If that wasn't exciting enough, Specialist went on to win Supreme Champion in Brandon, as well as Junior Champion Bull Calf at Agribition and B.O.S.S. Show Bull 2008. We're still celebrating so be sure to come by on sale day and share some hospitality with us.

As a family, we stand behind our genetics and are extremely proud of the bulls we have to offer. So come on out and select a future herd bull for your operation. If you have any questions be sure to call or stop in before the sale, the coffee is always on.

Let the tradition continue,
 Carman and Donna Jackson
 and the girls; Erin, Fawn,
 Haylan, Autumn and Tomina.

HBSF Specialist, Junior Calf Champion at
 Agribition 2008 - Sells as Lot 1

CHAROLAIS YEARLING BULLS

Here he is folks – The National Champion Charolais bull 2008, the Supreme Champion from Fall Fair, the Champion bull calf from Agribition, Boss Show Bull 2008!

We are so PROUD to have raised this calf. We knew from the very start that he was particularly Special. The cow family has been nothing short of stellar. His dam is the only dam that has produced National Champions back to back as well as the high selling heifer calf of 2008. Come out sale day and be a part of a bull that is going to have a resonating impact on the Charolais industry.

Selling full possession and full interest in the Canadian rights. Retaining an interest in the International semen rights. Retaining in herd use for High Bluff and Rolling D Charolais.

Sells with a semen bank.

Jason Digby & Family

Bob & Elaine Digby

Welcome to our 6th Annual Bull Sale. Our cattle industry is just emerging from a challenging winter and a very challenging market. But spring brings optimism; calf prices are up from last fall, with the cow numbers at levels not seen since the 50's, the future should be good.

We take pride in producing bulls that are thick, deep, good-footed and easy tempered. With the line up of herd sires we have today we have no doubt that you will be able to find something that tickles your fancy. This year we have one of the biggest replacement heifer pens we've had in a long time because we just can't let go of cattle that have such top quality. If you need more information on any of the bulls, don't hesitate to call. We'd love to help you select the best bull for your operation. Be sure to join us for lunch on sale day and help us continue the tradition.

I am really happy with the bull I purchased at the Family Tradition Sale last year. I purchased 775T sight unseen – the first time I have ever done this. Bob was very honest when he described the bull – and the bull turned out just like he said. 775T is calving easily. His calves show lots of hair, are thick and are vigorous at birth. To date, they are all polled.

LOT 51

Here's the guy that everyone has been talking about. We sure think a lot of this young herd bull in the making, and had to contemplate long and hard whether we were going to let him go or not. The dam and grand-dam are outstanding females that you've just got to see to understand where this bull could take your breeding program. 878U is correct, hairy, smooth and very thick with genetics to back him up - he's a real blend of the best of both worlds.

Selling full possession and 3/4 semen rights.

Notes...

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made credit clearance prior to the sale with the owner or Sales Manager. All monies are in Canadian funds. Sale is not complete until final payment is received.

DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final.

PURCHASERS RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

CERTIFICATE OF REGISTRY: Each animal will carry papers issued by the Canadian Charolais Association or the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after settlement has been made.

DELIVERY: Assistance will be given in making shipments after the sale, but no risk is assumed by the Sale Management or Seller. Purchasers are requested to furnish shipping arrangements when making settlement. Purchasers can purchase insurance sale day. Although delivery is offered, extra costs such as export fees are to the account of the buyer.

BREEDER'S GUARANTEE, BULLS: Should any bull (14) fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within (6) six months following the date of purchase or (6) six months after the bull has reached (14) fourteen months of age. The seller will then have the right and privilege of (6) six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

In no event shall the seller be responsible for more than the purchase price.

The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

EXCEPTION GUARANTEE: In case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void.

SETTLEMENT: Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, A.I., signing fees, interest, veterinary charges, etc., will be charged by either party when making settlement. If the seller is successful in proving the animal in question a breeder, the said animal will be reclaimed by the purchaser at his expense. Should the seller fail to so prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement F.O.B. ranch or location of origin or a refund of the actual price. Should a dispute arise over the quality of a replacement animal, the Sale Management will appoint a mediator.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility in this matter and disclaim any liability, legal or other wise, in the event of accident or loss of property.

D BAR L LIVESTOCK IS AGENT ONLY: D Bar L Livestock is only acting as a medium between the buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, or for the truth of any warranties or representations, express or implied. Neither does D Bar L Livestock assume any financial obligations to collect or enforce collection of any monies between parties.

D Bar L Livestock assumes no responsibility for any credit extended by the seller to the buyer. Any legal action that may in exceptional cases be taken, must be between the buyer and the seller. The buyer must look to the seller for fulfillment of all guarantees and representations.

MAIL OR TELEPHONE BIDS: Bidders unable to attend the sale may phone or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction, which is not covered by the terms and conditions of this sale.

INSURANCE: Insurance will be available sale day.
