MCKERY CHAROLAIS

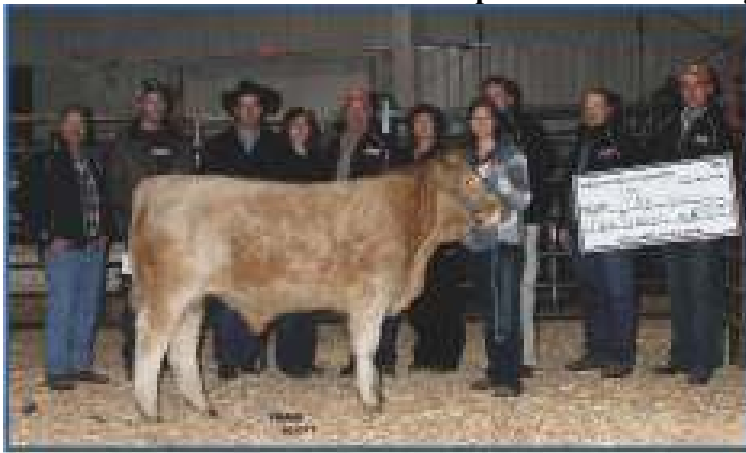

2009 was a very rewarding year for McKeary Charolais, as we were honoured at the Alberta Fall Harvest show with the Alberta Breeder of the Year.

For the second year in a row we were able to take home the champion pen of three bulls, the reserve champion bull and for the first time the People's Choice award with RMM 56W.

Our bulls are sired by ACC Nitro, a Cougar Hill Hank son and PCC Generator, who sired the high selling bred heifer at the Alberta Fall Harvest sale. These bulls are passing down great dispositions, tremendous milking abilities, volume, hair, and eye appeal.

We stand 100% behind our bulls so please contact us with any questions or concern or stop by and witness qualities bulls at their finest.

Alberta Fall Harvest Individual Reserve Champion for the second year in a row

**Alberta Fall Harvest Champion Pen of Three

One of the best dispositioned bull that you will find. His dam was successfully shown at several 4-H shows.

BULLICK CHAROLAIS

I would like to welcome everyone to our sale. We have been in the Charolais Business for over 35 years, making it through the drought, BSE, and economic down turns. This is our third year selling with McKeary Charolais at Dryland Cattle trading and would like to thank our loyal customers for their support.

Deb and I are very pleased to be having a bull sale with McKeary's. Those of you who do know them, you will find that they are very good people.

I am sure you will find that we have a product that you can use in your program. There isn't a bull in the group I wouldn't use on my commercial cows. If you are looking for muscle, hair, and quiet disposition these bulls hit the mark. I think they speak for themselves.

We stand behind our bulls, so if you have any problems please let us know.
