Full French

SALE CONSULTANT: Carl Wright 519-369-7489
Welcome to our first annual bull sale. On behalf of Rollin’ Acres Charolais and Patton Charolais we would like to extend a warm welcome to what we think is a very unique sale. This sale offers many exciting opportunities! Whether you are looking for performance, low birth weights, some colour, or something to show, it is in this sale! Like no other sale, this sale offers many Full French blood lines to choose from. There is no time like the present to add a Charolais bull to your herd. Charolais cross calves topped the market all across Canada in 2010. We have been working closely together over the past several years and have been excited to see the important influence that Patton’s and the Full French blood lines have had on the industry. We would like to thank our friends Whiskey Hollow Cattle Co. for consigning excellent purebred bulls. These bulls have been housed and fed with the other bulls in this sale.

All the bulls were fed on a balanced 13% pellet bull ration, with free choice of dry hay. The bulls will be semen tested prior to the sale and come with a breeding guarantee. We will take your bull home after the sale, keep it and then deliver it on or before May 1st. After May 1st, there will be a $3.00 a day/per head cost to the purchaser. Please feel free to visit our website www.rollinacrescharolais.com to follow the bulls in their performance. Please do not hesitate to contact us, or to drop in to see the bulls at anytime. See you sale day!

Rollin’ Acres Charolais
& Patton Charolais

Special thank you to our sponsors:

On Offer:
27 Yearling, Long-Yearling & 2 Yr Old Bulls
Thick, beefy, Full French & French influence bulls
Rollin’ Acres Oh Yeah 8X is an extremely stylish, thick, and well balanced bull that will add performance to anyone’s herd. He was undefeated as a bull calf on the Ontario show circuit and was Bull Calf Champion at the Royal Winter Fair in 2010. He was also second in his class at the Canadian Western Agribition this past year. This 15/16 Full French bull will be an asset to anyone’s herd.

This bull has a very unique pedigree, sired by Jezabel and off of a Freedom daughter that we own with Saunders Charolais. Shown as a cow/calf pair, he was very successful on the show circuit in 2010. Don’t miss this opportunity to have the best of both worlds, Full French on the sire side and Freedom on the dam side.

Owned by Rollin’ Acres Charolais & Saunders Charolais

I love this bull’s mother! She calves in January every year, maintains her condition and has a great disposition. She also has daughters working in the purbred herds of Kirlene Cattle & Bri-Nan Farms. Xrated’s 1/2 brother is working at Greg McCrackens in Roseneath and sired one of the heaviest and one of the top selling group of calves at Hoard’s Station Sale Barns Vaccinated sale held in Nov. Have a look at this guy on sale day he may sire a top selling group of calves for your operation.

This big polled bull comes from one of our best cows. Mike & Joanne Forrestell bought a 1/2 brother to 7X in 2006 and added another bull from us last year to breed those resulting daughters. This whole family never misses year after year. I’m sure 7X will sire the calves buyers are looking for at the fall stocker sales.

Wildman came as a bit of a surprise as his mother actually had 2 calves in 1 year, talk about fertility and production. His mother comes from the good Wilgenbusch herd in Saskatchewan and his sire was 2007 National Champion. He comes polled, correct with a low birth weight and is doing well on test at Rollin’ Acres. 23W has lots of hair with a slight wave and has the look of a herd bull already. Make sure to bid last on the 19th.
Rollin’ Acres 3X sired by PTIT Prince will be a great bull to use for replacement heifers. The Prince daughters are some of the best milking French females we have seen. This is quite possibly the longest sided bull in the sale.

**Rollin’ Acres 13X**
- Sired by PTIT Prince
- Daughter of EW Coates 12S and FWC Miss Jennie 3J
- D: Rollin’ Acres Quint 24L
- EPD’s:
  - BW: 2.5
  - WW: 27
  - YW: 55
  - MM: 21.3
  - TM: 35
- BW: 100
- 205 Adj. WW: 800
- Jan 10 Weight: 1242
- Rollin’ Acres 13X another 3/4 French Bull. He is extremely thick and well balanced. Let this one add performance to your commercial herd.

**Rollin’ Acres Rip 14X**
- Sired by PCFL Ultimate 14R
- Daughter of JSR Equity 17M
- D: JSR Victoria 18P
- EPD’s:

Rollin’ Acres Tip Top 15X is a half French bull which will add thickness, depth of rib and lots of hair to your calves in the fall. Off of a Freedom daughter with loads of milk.
Rollin’ Acres Buckskin 21X is a 3/4 French bull that has a ton of performance. This big, long, thick butted bull will add a tinge of colour to your calves this fall. The only coloured bull in the sale.

Rollin’ Acres Shotguns 24X is another Full French bull that has produced many herd sires for us including Rollin’ Acres Man Oh Man 808U which we own with Whiskey Hollow Cattle Co. We use Man Oh Man on our heifers.
