There was concerns of the By-Law not be being mentioned on the agenda, but after discussion thought we could just do amendment to the original agenda at the AGM

Kirby had reported on the Beef Farmers of Ontario Annual Meeting in Toronto. Kirby said that the Ontario Charolais consider on having a booth there. There were maybe 500 people in attendance and the booth space was \$650.00 for the two days. The board thought it could be discussed further at table meeting. Might be another venue for our field man John.

Kirby also mention that there is a program of Going Forward that the Ontario Charolais should maybe be looking into. The board felt that Kirby should draw up a proposal and forward to the board explaining what all this entails.

Doris had mention the Lindsay Farm Show is coming up March 4 and 5. She has sent promotional items for John to take with him. Ryan and Kirby would be helping as well.

Kelly made motion to adjourn.
