Donor Cow! Donor Cow! Donor Cow! We had absolutely no intention of parting with this cornerstone of our program. I'm not sure how, but Tim convinced Ande and I it was the right thing to do for this sale. I don't know where to start, Lady Luck has a list of accolades a mile long. For example, dam of Charadel On Fire, dam of Reserve Junior Female at Edmonton for LA Land & Cattle, dam of the Heifer Calf Champion at Toronto Royal, dam of ET calf by Evolution at Quebec Showdown Sale, dam of ACC Big N Rich who sold in our 2008 bull sale after being successfully shown. Lady Luck is extremely fertile and averages 20 embryos per flush. She sells open and ready to flush.

ACC FANCY 607S

PFC351483 ACC 607S 8 January 2006 Polled

Bred April 11 to ACC Hercules 31R, due January 21, 2009.

This two-year-old from the Fancy family was shown at the Toronto Royal last fall by Natalie Walker in the Junior Show. She was crowned Champion Charolais Heifer. Her dam, sired by Cossack, was the high selling female at last fall's Uppin' the Ante sale, purchased by Travis Foot for \$7000.

Welcome,

From the Neal family here at Andemar Cattle Co., we would like to extend our invitation to you to come to the Guelph area in south western Ontario for a couple of days of good cattle and good fun.

We, along with the Uppin' the Ante Breeders group, have organized a bus trip from Guelph to see the Toronto Blue Jays play the New York Yankees at 7p.m., Thursday, September 25, 2008. We are providing free coach bus service to and from the game and believe me, the to and from part is going to be a darn good time. As well, we have a limited number of unbelievably good seats.

If you are interested in purchasing tickets, call us immediately, as they are on a first come first serve basis.

Friday will be cattle viewing, with refreshments, and then off to the Stampede Ranch to kick up our heels at this very popular country watering hole. Saturday at noon a delicious meal will be served with refreshments. The Uppin' the Ante Sale starts at 2 p.m. with our Sharing the Excitement Sale to follow immediately after.

Okay, let's talk about the sale and why you need to be here. I've heard it asked different times, what do we need to do to get our breed really rocking? On top of the rapidly growing demand for Charolais bulls that is fueling the resurgence in our breed; there is one simple ingredient that surpasses all others in terms of growth; ENTHUSIASM!

For those of you who attended the Annual Meeting in Red Deer this year, you witnessed something great at the Showdown Sale. From TBar's enthusiastic pep talk prior to the auction, to the wildly active bidding by enthusiastic bidders; I walked away from the sale supercharged about our breed! For those of you who missed this event, I feel badly.

Hence the name of our sale, "Sharing the Excitement", which our good friend Helge By came up with. I promise our sale will be filled with great cattle and great fun and that simple little word "enthusiasm". For any assistance, please contact me or our sale manager, Tim Bullick.

See you in Guelph.

Sincerely,
Peter Neal

EMBRYO OFFERING FROM BREED LEADING GENETICS

Selling two opportunities to mix and match six embryos from these breed leading matings...

14 embryos by Impair X HFCC Elvira 916J

Wow! I can't believe we are selling this donor cow! Our sale manager, Tim Bullick put it like this to us; if you expect people to take your sale seriously, you have to be serious about your sale offering quality. So here she is, Reserve Junior Agribition Champion Female. Flushed once to Rio Blanco, she had 15 grade A embryos. Her previous owners at GMC Charolais purchased some of these embryos and she didn't disappoint them. Her ET bull calf by Rio was their top selling bull calf at their dispersal. She is currently in our fall calving program so she will have a Hercules calf at side at sale time and will be ready to flush this fall. She has two sons by Hank and Hercules that are awesome. This is a definite opportunity. We would like to retain the right to one flush.

ACC CECILLA 30P(P)
HFCC CECILIA 803H(P)

Born April 30 to HFCC Pld Evolution 5L, due February 10, 2009
This Hercules daughter comes from a powerful high volume cow family. She has a long life ahead of her. Her dam sells as Lot 18.

This powerful ET Hank daughter from the famous Trimmer cow is our definition of "Sharing the Excitement". When Tim walked through the cattle he instantly spotted her. I immediately said no, she's not for sale and to forget about it. So he did, for one day and next day promptly asked if we would reconsider. I again said no that she was a big part of our herd's future. This scenario was repeated for the next 10

days. We finally relented when Tim convinced us that we have Miss Trim and we could flush more daughters like this from her. This lot is a very, very good opportunity for the breeder who seriously wants to start a genetically superior cow family. Oh, by the way, the new owner will definitely have some fun in the show ring as well.

THE STUDS USED AT ANDEMAR

ACC HERCULES 31R

Sparrows Cossack x RTLC Miss Trim 14C
 Reigning Undefeated Canadian National Grand Champion Bull
 Co-owned with Whiskey Hollow Cattle Co.

HFCC PLD EVOLUTION 5L

Sparrows Alliance x HFCC Elvira 916J
 This bull needs no introduction since he has sired such great bulls as Freedom and Terex. Not only can he sire great sons; we are increasingly impressed by his daughters as they mature.

SVY AD INVINCIBLE 748T

DBAR Survivor x Pleasant Dawn Pam 214J
 Without a doubt, Dennis Serhienko had one of the most talked about bulls at Agribition last year. Extremely well balanced, Invincible is a great fit for our herd.

SPARROWS RANSOM 709T

Sparrows Alcatraz x Sparrows Krystal 116R
 An Alcatraz son out of the pick of the Sparrow heifers that sold at Saskatchewan Showdown to Tyler Bullick. This well muscled, easy calving herdsire turned a lot of heads last summer. He now resides at Loewen Charolais and Hirsch Charolais.
