About US....

Since 1986 TRI-N Charolais Farms has been breeding quality red and white Charolais cattle. Throughout the years we have developed a herd of cows that produce progeny with excellent feed efficiency, longevity, strong maternal traits, calving ease and performance.

Bulls are marketed annually by private treaty and the Cattleman's Classic Bull Sale being held March 24, 2013 in Virden, Manitoba.

Through the years, our genetics have been marketed throughout Canada and the USA. In 2012 we were honoured to have raised TRI-N Prefix PLD ET 54Y- the high selling Charolais Bull in Canada that spring. Customer satisfaction is our goal- we would love to talk "BULL" with you!

Jesse, Joanne, Brittini and Merv Nykoliati. Jamaica zip lining 2012!!

PRO-CHAR Captain Morgan 8U
Main herdbull at TRI-N.
